Mission Sustainability Initiative Consultant Request for Qualifications

MSI Consultant RFQ

To help organizations find the right support as they explore collaboration, the Mission Sustainability Initiative (MSI) at Forefront has compiled a list of qualified consultants with expertise in various areas related to strategic partnerships. To be considered for inclusion on this list, please complete the following Request for Qualifications (RFQ), which will be reviewed by members of the MSI Advisory Committee.

This RFQ will be accepted and reviewed on a rolling basis. Most of the information submitted through the RFQ, except where noted, may be made available on our [website](#). Nonprofit organizations interested in consulting services will make their own selections/determinations as to which consultants to engage, and organizations that receive MSI grant funds are under no obligation whatsoever to engage consultants on this list.

Thank you for all of your work supporting the nonprofit sector! Please don't hesitate to contact us at msi@myforefront.org with any questions.
